Serving And Hugging You Back To Life!

Confession For Trinity Stone Service

Father God we come before You now in The Mighty Name of Jesus of Nazareth! You said to commit our works before You. So, we enter Your Courts with praise and thanksgiving and bring and commit before You, Trinity Stone Christian Fellowship Center, the seed that You put in Pastor' heart to spread The Gospel of The Kingdom of God to nations, train and raise up disciples and send them out to bare more fruit. Father God, we ask You in Jesus Name to bless Trinity Stone In-Person Services, everyone present, and all additional Services and events. We ask that The Name of Jesus be exalted and lifted up on High at every Service and that You, Holy Spirit, arrest us and fill the atmosphere with The Glory Cloud. We ask that every Service is conducted with the excellence of king Solomon in decency and in order.

We ask in Jesus Name that Holy Spirit, You guide the Service in the way that You desire it to go. Father let Your Kingdom Come And Will be done. We ask You Holy Spirit and command the angels assigned to Pastor, Trinity Stone Christian Fellowship Center, and the congregation, to gather men that are lost, from the North, South, East, and West and guide them to Trinity Stone Christian Fellowship Center to get fed by The Church of Jesus Christ. We thank You for souls being saved, and for the miracles, signs, and wonders happening as a result of The Gospel being preached.

We thank You that every Service and event is unhindered and unchecked by any outside force and we ask You to continue to bless and increase every hand that ministered and plowed with Trinity Stone so we can continue to minister to the nations.

Father we thank You for blessing every member of Trinity Stone Christian Fellowship Center with creative ideas as we seek The Kingdom of God and Your righteousness. Thanks for allowing Trinity Stone and every member to grow in abundance in spirit, health, wealth, and righteousness even through chaos. Thank You Holy Spirit for leading us to all truth, showing us things to come and for choosing the right Trinity Stone destiny helpers to advance Your Kingdom with. We Thank You Father, We Thank You Jesus, and We Thank You Holy Spirit. In Jesus Name, Amen!
